## LIVE THE LITURGY

It all really boils down to a matter of the heart, and actions do speak louder than words. We cannot hide from the truth. A problem with religion is that it is possible for someone to make everything appear to be right when actually it is not. We can say all of the right prayers, perform all of the proscribed rituals, claim that we adhere to orthodox doctrines and still lead a distorted, empty and sometimes pitiful life. Only actions springing from true and deep sacrifice demonstrate true integrity. Without sacrifice, even the noblest looking actions can amount to nothing. It is no wonder, then, that the widow who contributed from her poverty received great admiration from Jesus. While it may not always appear to be the case, God has a special care and regard for those who depend upon him in times of trouble and want. Only the person who is truly poor is the only one who can see this. Because of a lack of trust, the one who has much is afraid to take a risk and sees only what they possess as their only security.

**Kindly keep in your prayers our sick brothers and sisters:** Agnes Bieker, Dorothy Wikstrom, Luis Martinez, Virginia Ruiz, Dave Boneau, Dora Campos, Gina Chavarria, Gloria Orosco, Florence Diaz, Anthony Balencia, Domingo Balencia, Joel Rivera, Don Alam, Lupe Mariscal, Ricky Garcia, Terry Balencia, Jan Walker, Pilar Ramirez, Harold & Gladys Huntsman, Erika Flores, David Bratcher, Mariel Muñoz, Harriet Mauritsen, Betty & Joe Goodrich, Melissa Lopez, Eddy Houghtaling, Joel Wilcox and Mary Navarette.

## St. Frances Xavier Cabrini |

### Feast Day November 13

You may recognize the name St. Frances Xavier Cabrini as the first United States citizen to become a saint. Known for her deep trust in God, she was a courageous woman doing the work of Christ.

Her life of service began when she was first refused admission to the religious order which had educated her to be a teacher. Not one to take things face value, she instead focused her charitable work at the House of Providence Orphanage in Cadogno, Italy, and in 1877, professed vows there and took the religious habit.

Although she experienced many disappointments during this time, she persevered. Throughout her life, she is known for founding 67 institutions dedicated to caring for the poor, the abandoned, the uneducated, and the sick. She died of malaria in her own Columbus Hospital in Chicago in 1917. *St. Frances Cabrini-Pray for us!*

“I WILL GO ANYWHERE AND DO ANYTHING TO COMMUNICATE THE LOVE OF JESUS TO THOSE WHO DO NOT KNOW HIM OR HAVE FORGOTTEN HIM”-ST. FRANCES XAVIER CABRINI

## THANKSGIVING LUNCHEON

St. Anthony will host a Thanksgiving Potluck Luncheon on Sunday, November 21st after the 9:30 am mass. The church will provide the meat and there are sign up sheets in the foyer. Those with last names from A to I are asked to bring sides; those from J to R are asked to bring salads and those from S to Z bring desserts. Father Francis invites everyone to our first gathering since the pandemic began. Hope to see everyone!

## NATIONAL VOCATIONS WEEK

National Vocation Awareness Week, celebrated November 7-13, 2021, is an annual week-long celebration of the Catholic Church in the United States dedicated to promoting vocations to the priesthood, diaconate, and consecrated life through prayer and education, and to renew our prayers and support for those who are considering one of these particular vocations. *We pray for more dedicated, holy priests, deacons, and consecrated men and women. May they be inspired by Jesus Christ, supported by our faith community, and respond generously to God's gift of vocation." Amen.*

## DID YOU KNOW...

### What are the Cardinal Virtues?

These virtues are the basis for living a good and righteous life. If a person wants to be happy, this is the only way to get there...(CCC#s 1804-1809)

**Temperance:** is the virtue that deals with self-control and moderation. Temperance involves us realizing that as human beings we are prone to addictions. These addictions aren't just to alcohol and drugs — they can be to fitness, ideologies, or even work. Many things can turn into addictions and it is important for happiness that people be moderate and tempered in their lives.

**Fortitude:** is equivalent to strength and endurance. It means that although we have tough life situations we persevere and continue on a path that will lead us and our loved ones to better outcomes. Fortitude means to change our perspective and instead of thinking, "I am so unlucky this is happening", to instead think "I am so lucky because even though this is happening, I have the strength to endure it."

**Prudence:** Prudence is the ability to discern the appropriate course of action for a given situation. This involves using everything a person has learned and their judgment and applying it to a person's current situation. Many people wrongly think that being a good person means being gullible and naive. This couldn't be farther from the truth. Good people must use the rationality they have to the fullest extent. Imagine if we had genuinely good people in politics and banking.

**Justice:** is regarded by many to be the most important virtue and it relates to fairness and righteousness. Justice is the happy medium between being independent and helping others. Justice is important so that everyone in society has their fair share. It is the fundamental morality we hold as humans. Our human justice system is built upon this idea of moral law.
